**5 22/065 PUBLIC CONSULTATION**

Two members of the public wanted to voice their concerns over one of the proposed cable routes for Rampion 2 as this particular proposal would pass through Hammerpot were they live and they had concerns over flooding. Their concerns were read out to the councillors – see **appendix 1**. They finished by asking APC to look into this matter on their behalf.

A discussion then took place including reference being made by Cllr. Verrinder to the Decoy Water System and councillors wanting to offer their support.

The Chair said APC would definitely take this forward and it would be taken to the next PI meeting as well as asking a local drainage expert for his advice.

APC will keep in touch with the members of the public, giving updates when possible and also urged them to submit their own thoughts to the Rampion 2 Consultation.

Cllr. Urquhart commented that this option was not a final decision and asked that their concerns were emailed over to her so she can also feed them back.

Cllr. Cooper echoed what Cllr. Urquhart had said.

Two members of the public left the meeting at 19:47.

**6 22/066 THE CLERK'S REPORT ON MATTERS OUTSTANDING FROM PREVIOUS MEETINGS, BUT NOT INCLUDED ON THIS AGENDA, WHICH WILL INCLUDE SPECIFIC UPDATES ON:**

The Clerk talked through her report and no questions were asked. The report can be found within the supporting papers for this meeting on the APC website.

The Clerk also wanted to highlight the new Community Cuppa events and asked all councillors to spread the word that this was happening.

Cllr. R Evans asked about recruitment and how this was going (APC currently have 2 vacancies for Administration Assistants) an update was given.

**7 22/067 CHAIRMANS REPORT**

Cllr. N Hamilton-Street presented her report for November which can be found in the supporting papers for this meeting on the APC website.

She highlighted the following items:

- APCs questions regarding Planning Processes had been submitted to ADCs Full Council meeting and the response shall be circulated to all councillors.

The Chair believes that in her opinion the response was written by officers and not by councillors. Cllr. N Hamilton-Street will re-submit the question in time for the next meeting and this time it will be addressed to ADC Cllr. Shaun Gunner, Leader of the Council and Conservative Group.

See **appendix 2** for the questions and the responses.

- The Chair attended an event organised by Roger Miles to celebrate 3 young people that were responsible for flag raising/lowering during the Queens Platinum Jubilee. They were presented with signed books.
- She also commented on Remembrance Sunday and how well that had gone with a lot of people attending to pay their respects.

## 8 22/068 REPORT FROM THE WEST SUSSEX COUNTY COUNCILLOR

Cllr. Urquhart read out her report as follows:

**FLOOD Alleviation SCHEME** – phase 1 to start in the spring. An update has been sent to APC.

It has been proposed by the boundary commission that Angmering & Findon move from the Arundel & South Downs Constituency to the West Worthing one. This means that we will cover 2/3rds of the geography of the new constituency – 85% which is in the National Park, with only 10% of the electorate.

A new interactive **Climate Action Hub** has been launched by West Sussex County Council to provide an online space for people to share their ideas and views on ways to tackle climate change. Actions that individuals, households, and communities can be added to the Ideas Bank, and people can start conversations on the Discussion Forum on issues such as electric vehicles, recycling, biodiversity, and food waste.

### **Support with the cost of living**

Working with district and borough councils and charities, WSCC will get help to those most in need, using the £4.8 million Household Support Fund from government, to provide a package of financial and practical assistance this winter.

Our Community Hub continues to offer direct support to vulnerable households, providing essentials such as food and supplies, as well as grants to those who are eligible.

We have 36 libraries across the county offering a warm welcome to all visitors. Staff can help and advise people on a range of topics, from money management to energy saving, job seeking and benefits guidance.

On our 'Here to help - Cost of living' webpages, you'll find lots more advice and information about local and national support, including with finances, food, transport, energy, employment and wellbeing.

### **Changes to Community Traffic Regulation Orders (TROs)**

TROs are legal orders that support the enforceable restrictions and movements on the public highway. In West Sussex, requests for TROs are received from communities to deal with matters such as speed limits, parking controls and moving offences.

Following a review of how the County Council processes and delivers applications for Community TROs, applications will be considered as they

are submitted rather than once a year. This will allow more TROs to be delivered, more quickly - typically within 7 to 11 months.

It's very important that Community TROs are supported locally, so the County Council has made it a requirement for any applications to evidence support from their County Councillor and Town or Parish Council. You may find you have an increase in residents contacting you about TROs.

### **Announcing changes to the process for reporting road and pavement issues**

From late November 2022 WSCC will be changing the process for reporting road and pavement issues, replacing it with mobile device friendly eforms.

The benefit of the new process is that your reports will be automatically uploaded into our Highways Case Management System and assigned to the right team.

Customers who would normally make reports using Love West Sussex will receive a pop-up message signposting them to the correct eform for the issue being reported.

Other benefits include a more detailed and accurate interactive map to improve location reporting. The map will feature all current reported issues and status for the type of issue you are reporting for example potholes, flooding or overgrown vegetation. Customers can receive status updates by providing their email address.

Questions were then invited but none were asked.

## **9 22/069 REPORT FROM THE ARUN DISTRICT COUNCILLORS**

Cllr. Cooper commented on the arrangements for Remembrance Sunday and that it did the village proud.

He again said to the members of the public regarding Rampion 2 to please send him a copy of their concerns so he can also do what he can to help.

Regarding the boundary issues that Cllr. Urquhart had already spoken about he stated that he fully supported what she had said and will be voicing his opinion.

He advised that the Advisory Groups had been re-instated and gave examples of what he wanted to see discussed.

Finally he mentioned the Palmer Road footpath access and would see what could be done.

Questions were then invited but none were asked.

**At this point item 17 Suggested Boundary Changes was brought up the agenda so both Cllrs. Cooper and Urquhart could be part of the conversation. Please see item 17 for the minute.**

Cllr. Urquhart and Cllr. Cooper left the meeting at 20:17.

**10 22/070 NEIGHBOURHOOD PLAN**

The Chair confirmed that the review of the current plan was still on hold.

**11 22/071 ANGMERING FLOOD ALLEVIATION SCHEME UPDATE**

Notes from a recent meeting had been sent to all councillors and the Chair talked through the supporting paper outlining what the meeting had highlighted.

A lot depends on the land owners and funding would be needed to take the second phase forward.

**12 22/072 COMMUNITY LAND TRUST UPDATE**

The Directors of the ACLT were invited to attend today's meeting but had declined the invitation.

The Chair reported that the ACLT had taken the decision to "mothball" the site in Mayflower Way until it is possible to continue. Increasing costs were cited as the reason for this.

A discussion around APC taking the land back was briefly discussed but the land does not belong to APC, so this was not an option at this time. The Chair made comment that at this point this was more of an update on the situation as it stands today.

It was agreed that an email would be written from APC to the ACLT. The Clerk will compose the letter which would be sent to all councillors for comment prior to sending.

Action: Email to be composed, agreed and then sent to the ACLT.

KH

**13 22/073 GENERAL RISK REGISTER AND FINANCIAL RISK REGISTER**

The Chair reported that this had been taken to the Governance & Oversight meeting and what had been amended.

No questions were asked.

**14 22/074 RECORDING MEETING POLICY**

The Chair explained what this policy was about, and no questions were asked. Cllr. A Evans commented that he thought that this was a well put together document.

<b>RESOLUTION:</b> Cllr. Verrinder <b>PROPOSED</b> that the updated policy was adopted. Cllr. Want <b>SECONDED</b> and <b>ALL AGREED</b> .
--

**15 22/075 PUBLICATION SCHEME**

The Clerk explained that this will form part of what will be submitted for the Local Council Award APC are applying for and gave an overview of what it was.

<b>RESOLUTION:</b> Cllr. Reigate <b>PROPOSED</b> that the updated policy was adopted. Cllr. Harris <b>SECONDED</b> and <b>ALL AGREED</b> .
--

16 20/076 CIVILITY AND RESPECT PLEDGE

The Chair explained what this was which is basically the culture in which APC should operate. She then read out each point requesting a show of hands if councillors agreed:

- Our council has agreed that it will treat all councillors, clerk and all employees, members of the public, representatives of partner organisations, and volunteers, with civility and respect in their role – All agreed
- Our council is committed to training councillors and staff – All agreed
- Our council has signed up to Code of Conduct for councillors – All agreed
- Our council has good governance arrangements in place including, staff contracts, and a dignity at work policy (contained in staff handbook) – All agreed
- Our council will commit to seeking professional help in the early stages should civility and respect issues arise. – All agreed
- Our council will commit to calling out bullying and harassment if and when it happens. – All agreed
- Our council will continue to learn from best practice in the sector and aspire to being a role model/champion council e.g., via the Local Council Award Scheme – All agreed
- Our council supports the continued lobbying for the change in legislation to support the Civility and Respect Pledge, including sanctions for elected members where appropriate – All agreed

This means that APC have now signed up to the pledge. New councillors will be asked to sign up to this pledge when they join APC.

17 20/077 SUGGESTED BOUNDARY CHANGES

**This item was brought forward and discussed after item 8.**

The Chair explained the proposal to move Angmering into Worthing West CC from Arundel and Southdowns CC. The review is based on numbers of residents in each constituency and this was a short consultation period with the Clerk needing to respond by Monday 5 December 2022.

A discussion then took place with councillors giving their views and reservations. The point was made that the support we currently have from our MP, Andrew Griffin, would disappear if this was to go ahead.

Cllr. Cooper and Urquhart gave their thoughts and concerns, and a comment was made that ADC would also be looking to reduce the number of councillors over the next few years.

There were several comments around Angmering being semi rural, being mostly made up by the South Downs National Park and the fact that the

number of residents in Angmering was small in comparison to most of the other towns/villages in Worthing West CC and concerned about how much attention Angmering would get.

Cllr A Evans suggested that it would be preferable to push for a reason to stay rather than stress why it would be detrimental if this does happen.

Everyone present agreed that they did not want this to happen and that the Chair and the Clerk would compose a response and will circulate to all councillors for comment.

Action: Response to be composed, agreed and sent out.

NHS/KH

APC will also be meeting Andrew Griffin MP on Friday 18 November 2022 where this will be discussed.

**18 22/078 TRANSPORT SURVEY RESULTS**

A full update has now been given which saw 128 responses which sadly is a very small percentage of the Village. The results will be looked at and added to the relevant agendas, such as PI.

Further discussions regarding the bus routes need to take place.

**19 20/079 PARISH ASSEMBLY GOING FORWARD**

The Chair commented that this meeting must take place in May and the committee needed to agree a format for next year.

The Clerk talked through the paper and a discussion took place, venues and delivering an easy format were talked about. Venue wise the councillors would like to see the event held in St Margaret's Church Hall in 2023 if possible.

After discussion the proposal in the supporting paper was agreed on and therefore will be the format for the 2023 Parish Assembly.

<b>RESOLUTION:</b> Cllr. Bicknell <b>PROPOSED</b> that the format proposed on the supporting paper be adopted. Cllr. Reigate <b>SECONDED</b> and <b>ALL AGREED</b> .
--

**20 20/080 INVESTMENTS**

The Chair explained the paper that was to be noted, no questions were asked.

**21 22/081 COMMUNITY GRANT APPLICATIONS**

The 2022/2023 budget for Community Grants is £4,000.

6 grants have been awarded so far this year, leaving an available budget of £1,890.00.

No grants have been requested this month and councillors were asked to spread the word that grants were available.

**22 22/082 2022/2023 FINANCIAL REPORT**

The reports were presented, no questions were asked.

Cllr. Reigate signed the reconciliations for October 2022.

23      22/083    **QUESTIONS ON THE ALREADY CIRCULATED NOTES OF MEETINGS OF PARISH COUNCIL WORKING PARTIES, REPRESENTATIVES ON OTHER ORGANISATIONS OR NOTES ON OTHER MEETINGS ATTENDED**  
Cllr. A Evans reported on what he had attended and updated the committee on the cycle route project he is part of including how many overgrown paths there seem to be. He also advised a meeting he attended with East Preston and others about solar panels.

24      22/084    **QUESTIONS FROM COMMITTEES HELD SINCE THE LAST MEETING**  
The Planning and Infrastructure Committee – None.  
CLEW Committee – None.  
Governance & Oversight Committee – None.

25      22/085    **TO CONSIDER ANY URGENT MATTERS, FOR INFORMATION ONLY, ARISING SINCE THE PREPARATION OF THIS AGENDA**  
The Chair opened up an invitation to councillors which had been received from the Lavinia Norfolk Centre regarding their Christmas Fair taking place on Thursday 24 November.

**DATE OF NEXT MEETING**

The Committee's next meeting will be on **Monday 12 December 2022** at 7:30pm in the King Suite, Angmering Village Hall.

# Chair's report December 2022

Welcome to Christine Jones who has been a welcome addition on a temporary part time basis to the Office.

Thank you to everyone who supported the first Angmering@Christmas on the 2<sup>nd</sup> December, particularly to Katie, Roy, Christine and Father Christmas. The event was a great success thanks to the planning of Tracy. Feedback will be sought to build on the success for next year.

## **Meetings**

The Clerk and I met with the new Chair of Trustees for the Community Centre, Dudley Wensley to discuss how we can work together to achieve the best outcomes for the community. We agreed that these meetings are useful and would look to them on a quarterly basis.

I met with Phillipa Dart, Director of Services at ADC. Our meeting was to look at how we can ensure that we are working together, to achieve the best for Angmering. We agreed that emails can be misinterpreted and that a phone call achieve so much more. I hope that this meeting will support the work that is being undertaken jointly for the playpark at Fletchers Field.

The Clerk and I met with the Area Planning Manager and Site Manager on the first phase of the North of Water Lane development off Dappers Lane. This was useful to understand their approach to the site and agree communication going forward.

Andrew Griffith MP met with the Clerk and I, to receive an update on issue affecting Angmering. We were able to advise on recent planning applications, we discussed the Rampion Cable route and the Boundary Commission potential changes. We are grateful for the support and time that Andrew affords the Parish Council.

I met with 3 other Parish Chairs to discuss the plans for ADALC. We had a short presentation from a Planning Consultant, it was agreed to put to all Councils to have a number of hours you can call on for technical support. Extended specific support can be bought by the day, A conference is be planned in partnership with ADC in March.

## **Forward planning**

I have met with the Clerk to start to pull together the results of the Community Survey and the Councillors Visioning session to create the Annual Plan, and develop our long term development plan. This has allowed a draft budget to be started that will be available for questioning before Christmas.

**ANGMERING PARISH COUNCIL MEETING**  
**MONDAY 12 DECEMBER 2022**

**AGENDA ITEM 11 – ASSET OF COMMUNITY VALUE**

Please see the below email that was received on 11 November 2022.

Dear Councillor,

**Notification of Assets of Community Value (ACV) – Expiry of Five-Year Listing Period for ACV.**

**ACV REF 81 – PROPERTY/LAND ADDRESS – The Spotted Cow, High Street, Angmering  
(including gardens & car park).**

**Please be advised that the above reached the end of the 5-year listing period on 07/09/2022  
and we will be informing all concerned.**

**This property has ceased to be listed as an ACV. Further information can be found at: Assets  
of Community Value | Arun District Council**

**PLEASE NOTE: Removal as an ACV does not prevent future nomination.**

**I attach a copy of the full notification sent to the Owner/Nominee for your information -  
BELOW**

To whom it may concern,

**Assets of Community Value (ACV) – Expiry of Five-Year Listing Period for ACV REF 81 –  
PROPERTY/LAND – The Spotted Cow, High Street, Angmering (including gardens & car park).**

**Please be advised that the above reached the end of the 5-year listing period on 07/09/2022  
and we will be informing all concerned.**

This property has ceased to be listed as an ACV. Further information can be found at: Assets of Community Value | Arun District Council

PLEASE NOTE: Removal as an ACV does not prevent future nomination.

For us to be able to accept any future nominations there must be clear evidence provided to support one of the following statements:

- The current use of the asset furthers the social wellbeing or social interest of the local community, and it is realistic to think it can continue to do so.
- There is a time in the recent past when an actual use of the asset furthered the social wellbeing or interests of the local community, and it is realistic to think that there is a time in the next five years it can do so again.

As we have acquired over 10 years' experience in deciding ACV nominations we have had to improve and expand on the process to make our decisions stronger.

All ACV nominations must contain strong evidence and support for community use, as highlighted above.

In light of this any future nominations should include as much evidence as possible to support the nomination. This can include, but is not limited to:

- Testimonials, posters, footfall studies, newspaper clippings & social media activity. Any uses/activities that are listed as part of the nomination form will need examples.
- Evidence to back up any statements given in the ACV justification.
- Evidence to show how the loss of such a property will impact on the local community and how the asset enhances the social wellbeing of the community.
- Details of any groups that use the property together with a list of uses and all specific activities carried out, with evidence for each. For instance, baby groups, fitness classes, charity and sporting events, club meetings. How many times a week/month do these activities occur and how well are they attended and by whom?
- Is the venue available for hire by the local community? Are these activities just for local residents? Are there a wide range of social groups that benefit from these activities?
- Are there other venues of a similar type nearby? Please tell us where and how far away. We will require evidence that the activities/facilities provided by the property are perhaps not available in other facilities, therefore showing that the property is somehow unique in providing these facilities and that they further the social wellbeing or social interest of the local community
- The evidence required must prove that these activities take place. The more evidence the better, i.e., Screenshots, Photos, Posters, diaries, public reviews, numbers of attendees at these events - anything that can back up the community use is essential.

- Public comments of support are particularly useful to the nomination. Listing activities/uses on the nomination alone is not enough without evidence, as this list could be out of date or proved to be false at a review.

This list is not exhaustive, and we would recommend providing as much evidence as you possibly can in order to support any future nominations.

**Decision Needed**

To confirm if Angmering Parish Council would like to renew their listing for the Spotted Cow.
