Planning & Infrastructure Committee Chairs Report 10th October 2023

- 1) A meeting was held 29th September to continue discussing the ongoing problems with the culverted pipe from the Herons Park Development to Arundel Road. The meeting was attended by the Drainage Engineers from County and District, our County Councillor, a member of the public and three Parish Councillors and the Parish Clerk. Funding for this project was considered and decided that an approach to Operation Watershed is to be made in the first instance. A further survey is to be made and quoted on for repairs. Access to the resident's gardens will be required and a letter is to be sent to them. Once all information is to hand then another meeting is to be arranged to discuss the next step.

- 2) At the ADC Planning Policy Committee meeting held on 21st September the following items were on the agenda for discussion. We are currently awaiting the publication of the minutes regarding these items and the possible impact on Angmering: -
 - The Future of Plans and Plan-Making Technical Consultation 2022/2023
 - Local Development Scheme
 - Review of the Statement of Community Involvement – This has been sent by ADC to all
 - Infrastructure Funding Statement (Ifs) 2022/2023

Councillor Sylvia Verrinder TD

Extending Yellow Lines – B2140 and Heathfield Avenue, Angmering

Consultation with local residents needed. Letter has been written, just needs printing and delivering. Already have photographs of affected area. Once further evidence has been received the office will apply for the TRO.

20mph Dappers Lane, Arundel Road and Water Lane

Below update received regarding Dappers Lane

Dappers Lane – Angmering – Traffic Regulation Order application

Thank you for your application for a 20mph Traffic Regulation Order within Dappers Lane, Angmering.

I can now confirm that I have had the chance to carry out both an Initial and Detailed Assessment, and these have passed successfully.

The next step will be for me to assess the Speed Data against our Speed Limit Policy, and then begin to design the scheme, before I present the proposal at a Traffic Regulation Order moderation, to a field of Traffic Engineering colleagues.
