MINUTES OF THE ANGMERING PARISH COUNCIL VIRTUAL MEETING HELD ON MONDAY 8 MARCH 2021

Present: Councillors Nikki Hamilton-Street (Chair), Mike Jones, Alison Reigate (Vice Chair), Rhys Evans, Lee Hamilton-Street, Norma Harris, Alan Evans, David Marsh, Sylvia Verrinder, John Oldfield, Kevin Haag and Paul Bicknell

In Attendance: Katie Herr (Clerk), Tracy Lees (Committee Clerk), District Cllrs. Andy Cooper and Mike Clayden, West Sussex County Cllr. Deborah Urquhart and 1 member of the public

Acronym: Angmering Parish Council – APC; West Sussex County Council – WSCC; Arun District Council – ADC; Angmering Community Land Trust – CLT; Housing, Transport & Planning Committee – HTP; Community, Leisure, Environment & Wellbeing Committee – CLEW; Neighbourhood Plan – NHP; JEAAC - Joint Eastern Arun Area Committee; Sussex & Surrey Association of Local Councils – SSALC.

AGENDA ITEM	MINUTE NO.	AGENDA POINT	ACTION FOR
1	20/195	APOLOGIES FOR ABSENCE None.	
2	20/196	DECLARATIONS OF PECUNIARY AND NON-PECUNIARY INTERESTS IN ITEMS ON THE AGENDA. No declarations were made.	
3	20/197	APPROVAL OF MINUTES Approval of the minutes of the meeting of the committee from Monday 8 February 2021 were agreed by all and will subsequently be signed by the Chair.	
4	20/198	PUBLIC CONSULTATION The member of the public commented on the how well the COVID vaccination program was going in Angmering and was hopeful that this would signal the return of the Community Speedwatch. This then led on to a conversation regarding speeding around the village and the installation of village gates and the benefits of installing them. Cllr. N Hamilton-Street commented that village gates had been looked into before and unfortunately APC had been advised by WSCC Highways department that there was nowhere safe in the village to put them. Cllr. Oldfield echoed what had been said and commented that this subject went back a long way and had been unsuccessful on all occasions.	

Cllr. N Hamilton-Street suggested that APC could investigate again as things may now have changed.

Action: Look into the possibility of installing village gates.

KH

5 20/199 **THE CLERK'S REPORT ON MATTERS OUTSTANDING FROM PREVIOUS MEETINGS, BUT NOT INCLUDED ON THIS AGENDA, WHICH WILL INCLUDE SPECIFIC UPDATES ON:**

a) The action list.

For the Action List see **Supporting Papers**

b) Any subsequent matters that have arisen since the agenda was set.
None.

The Clerk advised there weren't any updates and invited questions, none were asked.

Cllr. Haag commented that he was happy to help review the current Risk Assessments and would work with the Committee Clerk.

Cllr. A Evans commented on a small amount of repair work that had been carried out on the cycle path by the Community Centre. Cllr. Urquhart advised that the areas concerned were raised as urgent work orders to be repaired ASAP, but that this was not the end of the matter regarding the slippery path, and it was still be investigated. The Clerk confirmed that she would continue to chase.

6 20/200 **CHAIRMAN'S REPORT**

Cllr. N Hamilton-Street commented at the start of the meeting that today was International Women's Day and that we should all be celebrating the amazing women in everyone's lives and their outstanding achievements. She then quoted Eleanor Roosevelt: Well behaved women rarely make history.

When this agenda item was reached Cllr. N Hamilton-Street referred to her written report and asked if there were any questions, none where asked.

Cllr. N Hamilton-Street then went on to update the committee on the recent ADALC meeting she had attended where 30 parish councils were represented. The meeting was regarding the structure of the association and agree two new directors to sit on the WSALC board.

Regarding WSALC – the newly elected board will be meeting soon to look at the situation with regards to the support services and how it will work for the parish councils going forward. A decision should be made prior to the end of March, full details will be shared once they have been made available.

7 20/201 **REPORT FROM THE WEST SUSSEX COUNTY COUNCILLOR**

Cllr. Urquhart updated the committee on what WSCC were presently working on, with their main priority still being the ongoing COVID-19 situation.

Cllr. Urquhart then went on to update the committee on the proposed changes at the household recycling sites in West Sussex. The use of these

sites has dramatically increased resulting in long queues. In order to address this and previous issues, a trial booking system will be introduced. In areas where this system has already been introduced it has been reported to be working very well. The summer opening hours will also be brought forward to Friday 12 March which will allow the sites to stay open longer. There were concerns regarding a possible increase in fly tipping due to the current issues and proposed changes. Cllr Urquhart stated that in other areas using the booking system there had been no reported increase in the amount of fly tipping.

Cllr. Verrinder asked about the possibility of opening new sites, Cllr. Urquhart explained this was not possible due to the current price of land. They will continue to look into the issue.

A conversation then took place regarding recycling in general and that people should be encouraged to recycle rather than just throw items away i.e. other ways to use their waste such as up-cycling. Cllr. Urquhart advised that all waste sites have areas classed as 're-use bins' where items can be left, you just need to ask one of the operatives. She also commented on moving towards a waste partnership to enable different partners to work together to reduce the problem. Cllr. A Evans commented he thought it was more a question of educating people i.e. a behavioural change.

8 20/202 REPORT FROM THE ARUN DISTRICT COUNCILLORS

Cllr. Cooper commented on the waste discussion in the last item and explained what ADC were responsible for. For example ADC is responsible for fly tipping. He advised that if an issue is reported and nothing seems to be being done please bring it to his attention.

He then reported that the council tax amount for this coming year had been put up to its highest possible level permitted by law and also how the opposition had unsuccessfully tried to oppose this.

He finished by commenting on the development in Angmering and that he is closely following the developing situations and hopefully he was making a difference where he could.

Cllr. Clayden had nothing more to add but as always welcomed questions when they came up.

Cllrs. Cooper and Clayden left the meeting at 19.45.

9 20/203 NEIGHBOURHOOD PLAN

The Clerk confirmed there had been no further updates.

10 20/204 DEED OF VARIATION – SOUTH OF WATER LANE

The Clerk explained the situation referring the committee to the supporting paper, what had changed and what was now needed. She also explained that, due to new information that wasn't available at the time, this now meant that even through the six months rule had not passed the previous decision could be officially overturned. She opened up the floor for questions and advised that a decision needed to be made as to if the money should now be spent on the flood elevation scheme.

A discussion then took place with Cllr. N Hamilton-Street explaining in more detail what the money would be spent on if it was agreed.

The Angmering Flood Alleviation Scheme has been a scheme that the Parish Council have pushed on for several years. It has attracted S106 contributions from both North/South Water Lane and Dappers Lane in recent years. This is a really positive step with regards to flooding in Angmering and more information regarding the scheme will be available soon.

After discussion this was agreed.

RESOLUTION: Cllr. Marsh **PROPOSED** that WSCC can request a deed of variation that will allow £190,000 be put towards the Angmering Flood Alleviation Scheme, Cllr. Verrinder **SECONDED**, and **ALL AGREED**.

11 20/205 UPDATE ON OFFICE RELOCATION

The Clerk updated the committee on what had been done to date which included valuations being undertaken on the flat above the office and the office itself. The Committee Clerk had visited two potential sites with an architect to understand what was possible.

Cllr. N Hamilton-Street advised that a full proposal would be drawn up for consideration by the Committee in the coming months.

The Clerk finished by commenting that both potential sites were aware of this project.

12 20/206 ANNUAL BUSINESS PLAN

Cllr. N Hamilton-Street gave a quick overview of the plan and checked that all committee members had received copies, which they had. A short discussion then took place asking if the annual business plan should be adopted.

Cllr. Oldfield commented that he felt this was a great piece of work and congratulated all involved. The Clerk said it had been a real team effort from staff, councillors and from the residents views gathered via the community survey.

Cllr. R Evans asked if it would be possible to colour code what fell under HTP, CLEW etc. Cllr. N Hamilton-Street advised that this was already done but could be made clearer.

Action: Make what falls under what committee clearer.

KH

Finally Cllr. N Hamilton-Street explained the review process and after discussion it was agreed that the plan should be adopted.

RESOLUTION: Cllr. L Hamilton-Street **PROPOSED** that the annual business plan should be adopted, Cllr. R Evans **SECONDED**, and **ALL AGREED**.

13 20/207 EAR MARKED AND GENERAL RESERVES

Cllr. N Hamilton-Street and the Clerk talked through the supporting paper and why the amendments needed to take place. The grant from CALA Homes for litter pickers was also mentioned. Questions were then invited but none were asked.

Councillors were asked to decide if they agreed with the updates contained in the report which if yes would give the Clerk permission to make the adjustments – all agreed.

RESOLUTION: Cllr. A Evans **PROPOSED** that the updates were agreed, Cllr. Reigate **SECONDED**, and **ALL AGREED**.

14 20/208 CONFIRMATION OF 2021/2022 BUDGET

The Clerk gave an update of the changes and invited questions, none were asked.

Councillors were asked to decide if they agreed with the updates given in the report and thus give the Clerk permission to make the changes to the 2021/2022 budget approved at the January 2021 Full Parish Council meeting – this was agreed by all.

RESOLUTION: Cllr. R Evans **PROPOSED** that the changes could be made to the budget, Cllr. Harris **SECONDED**, and **ALL AGREED**.

15 20/209 COMMITTEE STRUCTURE 2021/2022

Cllr. N Hamilton-Street talked through the proposed new structure and the rationale behind it.

She confirmed that the changes proposed where to change the current Highways, Transport & Planning (HTP) committee to the Planning & Infrastructure (PI) committee. The current Community, Leisure, Environment & Wellbeing (CLEW) committee would see the word Environment changed to Employment. A discussion then took place regarding what each committee was responsible for.

Cllr. Verrinder asked if the 'Conservation Area' currently sitting under Housing could be moved to a line of its own as she had concerns as this was potentially a large subject – this was agreed.

The committee were asked if they agreed with the proposed new structure of committees which would be implemented after the May AGM 2021. All agreed.

RESOLUTION: Cllr. Bicknell **PROPOSED** that the new committee structure should be implemented after the May AGM 2021, Cllr. Jones **SECONDED**, and **ALL AGREED**.

Cllr. N Hamilton-Street finished this item by advising that the first task would be to draft the Terms of Reference that would need to be agreed for these committees.

Action: Draft the Terms of Reference.

NHS &
KH

16 20/210 **ANNUAL GENERAL MEETING – 10 MAY 2021**

Cllr. N Hamilton-Street explained when the AGM usually took place and explained why this year the date could be different due to the current COVID-19 situation. Currently the government guidelines state that meetings can be held virtually, however this present arrangement is due to end on Friday 7 May 2021. This means that currently from Saturday 8 May onwards no virtual meetings can take place and ALL meetings would have to take place face to face.

Therefore what APC would like to propose is that if the government don't make an amendment to the current regulations and full face to face meetings have to take place then it proposed that the Full Council/AGM meeting takes place on the Thursday 6 May 2021 instead of Monday 10 May 2021 which will allow it to still be held as a virtual meeting. However if the government does change the legislation and virtual meetings can continue the Full Council/AGM meeting would still take place on Monday 10 May 2021.

At this point Cllr. Urquhart interjected and commented that Thursday 6 May 2021 was actually election day in the UK and didn't know if there were any restrictions for holding meetings on this day.

Action: Find out from ADC if a Full Council/AGM meeting can take place on an election day.

KH

It was proposed that if a virtual meeting for the Full Council/AGM meeting could not be held the Clerk would look to find a suitable date to hold this meeting week commencing Monday 3 May 2021.

RESOLUTION: Cllr. Bicknell **PROPOSED** that the Clerk should find a suitable date to hold the meeting week commencing Monday 3 May 2021, Cllr. Reigate **SECONDED**, and **ALL AGREED**.

Finally Cllr, N Hamilton-Street also commented that APC will have to look at how APC would have to facilitate face to face meetings going forward.

17 20/211 **COMMUNITY GRANT APPLICATIONS**

Two grant applications had been received in time to be heard at this meeting.

An application for a grant has been received from the **Angmering Cricket Club** for the sum of £250.00. A discussion then took place regarding the application.

After discussion it was agreed by all that a grant of £250.00 should be given.

RESOLUTION: Cllr. R Evans **PROPOSED** that a sum of £250.00 was granted to the Angmering Cricket Club, Cllr. Jones **SECONDED**, and **ALL AGREED**

An application for a grant has been received from the 1st Angmering Scout Group for the sum of £750.00. A discussion then took place regarding the application.

After discussion it was agreed by all that a grant of £750.00 should be given plus the remaining amount of budget for community grants, this took the amount granted to £786.40.

RESOLUTION: Cllr. L Hamilton-Street **PROPOSED** that a sum of £786.40 was granted to the 1st Angmering Scout Group, Cllr. Jones **SECONDED**, and **ALL AGREED**

The 2020/2021 budget for Community Grants is £3,500.00. The total grant pot available for the remainder of the year is £0.

18 20/212 2020/2021 FINANCIAL REPORT

The Clerk presented the report, no questions were asked regarding the report.

Cllr. Jones agreed to sign the bank reconciliation for February 2021 and will attend the APC Offices to sign the reconciliation as this is a virtual meeting.

19 20/213 QUESTIONS ON THE ALREADY CIRCULATED NOTES OF MEETINGS OF PARISH COUNCIL WORKING PARTIES AND REPRESENTATIVES ON OTHER ORGANISATIONS

No meetings had been attended.

20 20/214 QUESTIONS FROM COMMITTEES HELD SINCE THE LAST MEETING

- The Housing, Transport & Planning Committee meeting held on Tuesday 16 February 2021 via Zoom – None.
- CLEW Committee – held on Wednesday 24 February 2021 via Zoom – None.
- Governance & Oversight Committee – held on Wednesday 3 February 2021 via Zoom – None.

TO CONSIDER ANY URGENT MATTERS, FOR INFORMATION ONLY, ARISING SINCE THE PREPARATION OF THIS AGENDA

Cllr. A Evans was keen to make the point about not losing track of things that could not take place during the last year and APC should aim to ‘come back stronger’ when restrictions were lifted. He will send in his ideas to Cllr. N Hamilton-Street and the Clerk.

Action: Come back stronger ideas to be shared.

AE

DATE OF NEXT MEETING

The Committee’s next meeting will be virtual meeting on **Monday 12 April 2021** at 19:00 via Zoom.

The meeting concluded at 20:29.

Chairman

Date.....

Clerks Report March 2021

Agenda Item 5

1) **Planning Applications.**

South of Water lane – Awaiting an update regarding the flint wall and access to the sales office – chased for an update – 06/04/2021

2) **Operation Watershed.**

Cow Lane – Information sent to all councillors regarding the type of refurbishment being sent out to tender.

Honey Lane – Received information back. Will forward to all once collated.

Swillage Lane – Work will be undertaken to start this project as soon as possible

3) **ASRA Lease** – Setting up a call to go through the report provided and amendments needed.

4) **Angmering Medical Centre and Angmering Community Centre** – The hard work continues. As a result of the use of the centre, it has highlighted the need for a recycling bin at the centre. This has been organised and is now in place. Internal bins will now need to be purchased by the centre to allow for recycling to take place.

5) **COVID-19 Office** – The office remains closed and only open on Tuesdays for litter pick volunteers to collect equipment and sign up.

6) **Cresswell Park** – ADC are liaising with CALA Homes regarding the SUD/drainage solutions on site. I have chased but there is no update.

7) **Bramley Green Cycle Path** – The site has been measured up and quotes requested by WSCC. The office continue to request updates.

8) **Litter Picking** – 45 litter pickers have been signed up and equipment given to them. The volunteers continue to do an amazing job and many comments have been received on the difference being made in Angmering. Several other parishes have requested our information in order to start their own groups.

9) **Skate bowl, ramp and BMX Track** – This area is now open to the public. Roy has cleaned some graffiti off the shelter and also attended to clean up glass from the bowl. Some of the fencing has been collected and the rest will be collected this week. We are looking to have an ice cream van and/or coffee truck visit the site over the holidays. BMX track repairs and refurbishment were agreed at CLEW in March 2021.

10) **Mayflower Way** – Communication has been received from the office regarding works on Mayflower Way. A post has been put on Facebook alerting residents and the office has all the contact details of the site, should there be any issues.

- 11) **CLT Deed of Variation** – Information given to solicitors. Awaiting update.
- 12) **Risk Assessments** – Full overhaul being completed by Office Manager, with the assistance of Cllr. Lee Hamilton- Street and Cllr. Kev Haag. Thank you for everyone’s hard work. This work is ongoing.
- 13) **Welcome Pack** – I have the first draft of the pack and have a meeting with Tracy planned to go through it. This will be a very welcome addition to the information we supply.
- 14) **All About Angmering** – If you have any ideas or suggestions for upcoming editions of the magazine then please do let the office know.
- 15) **Worthing Rugby Club** – Confirmation has been received that the Rugby Club will be staying put in Roundstone Lane. How this will effect housing numbers and potential S106 funding is being discussed with ADC. More information will be sent round once it has been received.
- 16) **Mayflower Park Lighting** – A grant has been applied for and quotes received for the installation of lighting through Mayflower Park. There is also the potential to have solar powered lights, thus negating the need for the digging of trenches and making use of renewable energy.
- 17) **Final Accounts and Audit** – Final accounts are now complete and audit paperwork ready for the internal audit on Friday 16 April 2021.
- 18) **Groundswork** – Roy continues to assist Angmering In Bloom with clearance and green waste removal. Also completed are the first mow of the season, play park inspections including replacing some vandalised flooring and dealing with fence damage, graffiti removal, rubbish collection, fly tipping reporting and clearance of twittens.
- 19) **Community Centre** – A recycling bin is now in place at the Community Centre, located in the bin shed.
- 20) **Village Gates** – work is ongoing about the possibility of village gates on Station Road and Water Lane. I am now in touch with the correct people at WSCC who are best placed to investigate it.

Chair's report March 2021

I'm sure we have all appreciated the sun, and emergence of flowers and buds, this month. The start of spring has been enhanced with the increase of our volunteer Litter Pickers, who are making a real impact around the village, we know that less litter is produced in clean areas, so an enormous thank you to them.

I attended the online Stronger Things 2021 conference hosted by New Local, over the 3 days over 1400 people from around the UK, celebrated what councils and communities had achieved during the adversity of the last year, and talk about all things community power.

I learnt a lot about how we need to re-imagine public services, and create an era of participation and empowerment. The main sessions can be found at www.newlocal.org.uk/strongthings. I am currently pulling together a discussion paper for us.

Arun District Council held a briefing to update us on the Community Infrastructure Levy (CiL), those sites coming forward that are eligible and not a strategic site, with bring 25% of the CiL to the Parish Council, to use on projects around the village. Whilst there is a predicted trajectory of payments, it is not anticipated that we will start to see any of this before 2023. The Clerk and I have started to look at the projects that we have on existing lists, and that have come out of the 2020 Community Survey and have clarified with ADC that these are all relevant. We will present this plan at May's AGM.

A small group of Councillors have met to look at the long term issues of traffic around the village centre. We have consulted with West Sussex Highways, and an initial survey will be distributed shortly to homes in Water Lane, Weavers Hill, High Street and roads off of these, to gain those residents experienced and opinions. The results will determine the next steps in conjunction with WSCC Highways.

I continue to have my weekly catch ups with the Clerk, to ensure that we are on top of all the actions in our Business Plan, and are looking forward to what we can achieve in the coming year.

We will present a full review of the financial year 2020/21 at the AGM, but I wanted to thank the Clerk and all the staff for their positivity, hardworking and innovation keeping Angmering prepared and delivering a high quality service to the community, and holding others to account when it affects our village.

SUPPORTING PAPER

ANGMERING PARISH COUNCIL VIRTUAL COMMITTEE MEETING

MONDAY 12 April 2021

Agenda Item 10, Annual General Meeting (AGM) – Change of Date

Update

After the March 2021 Full Parish meeting clarification was sought and it was confirmed that a meeting on 6 May 2021 was not best practice and to select an alternative date.

The proposed dates for the AGM and Governance and Oversight Committee Meeting are as follows

Annual General Meeting

Original Date – Monday 10 May 2021 at 7pm – New Date – Wednesday 5 May 2021 at 7pm via Zoom

Governance and Oversight Committee Meeting

Original Date – Wednesday 5 May 2021 at 7pm – New Date – Tuesday 27 April at 7pm via Zoom

Decision.

To confirm that the above dates are acceptable and agree to amended listings being published on our website and in All About Angmering.

McCarthy Stone
Divisional Managing Director for McCarthy Stone
Southern House
2 Embankment Way
Ringwood
BH24 1EU

Dear Shane,

Since Chandlers BMW vacated the site in 2016, the village has waited in anticipation for the site to be developed. In 2018 the Parish Council hosted a meeting for the proposed developer to present to the village their plans, which was well attended and presented the village with the much needed and desired public toilets and larger food retail store and post office. Since then that developer withdrew and another's proposal and offer was turned down, and the village still has an eyesore at its centre.

At the public meeting in 2018, I stood up and stated that as a community we had this once in a lifetime opportunity to work with a developer to ensure that the site was the best it could be. I still believe that if McCarthy Stone work with the community, we could have a development that everyone could be proud of in Angmering.

As a Parish Council we would wish to raise the following areas of concern, that we feel need addressing prior to an application being submitted, to enable residents to be confident in what is being delivered.

1. Communication – ensure that the community are kept up to date on plans and developments. Advise the Parish Council at the earliest stage, so that they are able to support the development.
2. Public Toilets – the village is without easily accessible public toilets. In a number of community surveys and portrayed in the Neighbourhood Plan, this is a priority for Angmering. Other sites have been explored and are not suitable. Therefore by providing toilets with disabled changing facilities adjacent to the retail store, and working with the Parish Council, McCarthy Stone would be providing a much needed resource for the whole of Angmering.
3. Angmering Conservation Area – address the buildings facing onto the High Street to ensure the profile, materials and design compliment the area, and remove any concerns and objections.

4. Crossings linking to the shops on the village square and across Water Lane – to provide suitable crossings to ensure that residents of the development and the community are clearly linked, and can safely navigate around the village.
5. Retail Store – Angmering Village needs a larger food retailer, not 2 food retailers. Seriously consider working with the Co-Op to provide a larger store and post office, rather than bring another into the village.
6. External hoarding around the site – ensuring that this is appealing to the community, particularly those who live on Water Lane and the High Street. Working with local schools to produce a mural perhaps, would engage with the community.
7. Construction Management Plan (CMP) – to work closely with the Parish Council and recognise the volume of construction work happening in the village, and therefore plan and communicate to the community throughout.

Angmering Parish Council would like to work with McCarthy Stone to ensure that the development sits well within its village centre setting, provides for the residents of the village and becomes integral part of village life.

We look forward to working with you.

Yours sincerely

A large black rectangular redaction box covering the signature of the sender.

SUPPORTING PAPER

ANGMERING PARISH COUNCIL VIRTUAL COMMITTEE MEETING

MONDAY 12 April 2021

Agenda Item 12, A280 – Proposed Speed Change

The council became aware of a petition organised by a resident which related to a request to have the speed lowered of the A280 and the request for cameras to be installed.

On learning about this, and after receiving an email from the resident the subject and correspondence received was put on the Housing, Planning and Transport agenda for March 2021. As a result of this further emails were sent to WSCC and to the resident to state that the matter will be discussed at Full Council.

The link to the petition is below – as of 8 April 2021 165 people have signed the petition.

https://www.change.org/p/west-sussex-county-council-prevention-of-death-and-serious-injury-on-the-a280-angmering-by-pass?original_footer_petition_id=&grid_position=&pt=

A letter was written to Chris Stark of WSCC - Area Highways Manager – Western, requesting further information and comments regarding the suggestion is shown below.

“Although a petition may have been raised, any formal request for a speed limit reduction will still need to be made through the community TRO route. The existence of a petition can play its part in demonstrating community support though we would also expect see some other evidence of community discussion that the speed limit is a widely accepted solution. We will then assess the request against the current speed limit policy. We would need speed monitoring data to fully assess but we will not be able to request this prior to an application being submitted. However, it is worth noting that the minimum criteria for a 50mph speed limit to be considered requires average speeds at or below 52mph, so in reality there is probably little chance of it meeting policy.

In regards to road safety, we have a team who undertake analysis of all road traffic collisions and determine if a site should be considered as a priority for action. Further detail of this is available from our website at <https://www.westsussex.gov.uk/roads-and-travel/road-safety/how-we-improve-road-safety/>. Although there have been road traffic collisions on A280 Angmering By-Pass the concentration and number per kilometre is significantly less than it is on other A class roads, as can be seen from the Accident Locations Map (accessible through the link above). The route is therefore not considered to be a priority at the present time.”

Decision.

Councillors need to decide on how to take this further and note any next steps.
