Fletchers Field – final design still waiting to be received after a successful meeting with ADC. I will chase early next week but completion is expected to be before the summer holidays.

Benches have been received for the area by the Blue Star roundabout and planters are due shortly. Then work will recommence on the area and the planting of trees will follow.

Kings Coronation – seed packets have been delivered by Nikki to all schools and a post going on FB tomorrow showing some very smiley faces receiving their seeds. 6 grants were received and approved. These include applications from two street parties, Guides, William Olders Playschool, Honey Lane Residents Association and St Wilfrid's School.

The flag raising for the King's Coronation went ahead on Saturday 6 May 2023. It was attended by approximately 15 people. Last years winners of the Young Volunteer of the Year award raised the flag, ably assisted by Roger Miles.

Save the date emails have gone out for Angmering Revealed – great response back so far with lots of tables reserved.

Angmering Amble – rescheduled for 2nd September – 3rd time lucky.

The site meeting with Baqus has been postponed to next week. An update will follow. A successful first meeting was held where lots of questions were asked and ideas given from both sides. A working group will be put together that will feed back into Full Parish on a monthly basis.

Fly tipping Dappers Lane – after repeat offences emails were sent to cleansing and Andy Cooper. Information back included that the site was mentioned at a recent meeting between ADC officers and the police – its now high on their radar. The officer also stated that he was going to arrange signage that had previously been successfully installed at other locations. It is also being put forward as an ideal place for a pilot of cameras to help deter offenders. Roy checked the area today and a sign has already been installed.

Flicks on the Pitch has been confirmed for 29 July 2023 and it will again be free for Angmering residents to attend and will show 2 films. Tickets will need to be applied for through the Worthing Rugby Club.

Skate Jam – a very well attended event. Was great to see so many youngsters out there using the facilities as they were meant for. Using a skate shop in Littlehampton as the organiser insured local riders were in attendance and it looked like all had fun.

Dappers Lane – Tracy attended a meeting with Paul Cann from ADC down Dappers Lane to look at the eternal water leak/spring. Plans are a foot to investigate and they are pretty sure they have finally found the source.

Pooks Cottage – the grass has been replaced outside the cottage and will now be cut by Grasstex.

Shrublands – the development north of Mayflower Way have requested to connect to sewage pipes on our land. A meeting was held with them and the proposal will be brought to this meeting.

Mayflower Park – Vandalism finally put pay to the last remaining bench in Mayflower Park. It was ripped from its footings and discarded. I have requested that whatever mess Roy cleans from Mayflower Park he takes a picture of so that we can report on a twice monthly post what is going on there. All too often he clears away the mess before anyone sees it, which is great but we do need for people to know what goes on down there.

Introduction

These model standing orders update the National Association of Local Council (NALC) model standing orders contained in “Local Councils Explained” by Meera Tharmarajah (© 2013 NALC). This publication contains new model standing orders which reference new legislation introduced after 2013 when the last model standing orders were published.

How to use model standing orders

Standing orders are the written rules of a local council. Standing orders are essential to regulate the proceedings of a meeting. A council may also use standing orders to confirm or refer to various internal organisational and administrative arrangements. The standing orders of a council are not the same as the policies of a council but standing orders may refer to them.

Local councils operate within a wide statutory framework. NALC model standing orders incorporate and reference many statutory requirements to which councils are subject. It is not possible for the model standing orders to contain or reference all the statutory or legal requirements which apply to local councils. For example, it is not practical for model standing orders to document all obligations under data protection legislation. The statutory requirements to which a council is subject apply whether or not they are incorporated in a council's standing orders.

The model standing orders do not include model financial regulations. Financial regulations are standing orders to regulate and control the financial affairs and accounting procedures of a local council. The financial regulations, as opposed to the standing orders of a council, include most of the requirements relevant to the council's Responsible Financial Officer. Model financial regulations are available to councils in membership of NALC.

Notes

Model standing orders that are in bold type contain legal and statutory requirements. It is recommended that councils adopt them without changing them or their meaning. Model standing orders not in bold are designed to help councils operate effectively but they do not contain statutory requirements so they may be adopted as drafted or amended to suit a council's needs. It is NALC's view that all model standing orders will generally be suitable for councils.

For convenience, the word "councillor" is used in model standing orders and, unless the context suggests otherwise, includes a non-councillor with or without voting rights.

A model standing order that includes brackets like this ‘()’ requires information to be inserted by a council. A model standing order that includes brackets like this ‘[]’ and the term ‘OR’ provides alternative options for a council to choose from when determining standing orders.

Rules of debate at meetings

- a Motions on the agenda shall be considered in the order that they appear unless the order is changed at the discretion of the chairman of the meeting.
- b A motion (including an amendment) shall not be progressed unless it has been moved and seconded.
- c A motion on the agenda that is not moved by its proposer may be treated by the chairman of the meeting as withdrawn.

- f If an amendment to the original motion is carried, the original motion (as amended) becomes the substantive motion upon which further amendment(s) may be moved.
- g An amendment shall not be considered unless early verbal notice of it is given at the meeting and, if requested by the chairman of the meeting, is expressed in writing to the chairman.
- h A councillor may move an amendment to his own motion if agreed by the meeting. If a motion has already been seconded, the amendment shall be with the consent of the seconder and the meeting.

Dear Katie

Will you be kind enough to convey to the members of the Parish Council our thanks for their financial support in respect of the upgrading of Honey Lane. I hope they are satisfied with the result.

The good news is that we are seeing an increase in pedestrian traffic and more school children using the lane once again now that it is safe to do so. We are aware that a number of parents would not allow their children to use the lane, particularly in the winter because of its condition, preferring to use their cars to take their child to school.

One of the main objectives of the Neighbourhood Plan is to increase the use of footpaths and cycle ways and thus reduce traffic in the village. Hopefully the upgrading of Honey Lane has made a contribution to that objective.

Thank you also for your own unstinting help.

Kindest regards

Brian Fuller
